

Detroit City Council – Public Hearing on Casino Development Agreements

**Coleman A. Young Municipal Center
13th Floor – Auditorium
Friday, July 26, 2002
6:30 – 8:30 PM**

(Please note, increased security measures for entrance into this building may cause delays, therefore allow sufficient time for prompt arrival.)

At this Public Hearing City Council will take written and oral testimony from citizens, casino workers, community organizations, and businesses on proposed Casino Development Agreements.

Approved and Certified Casino Development Agreements are required by the Michigan Gaming Control and Revenue Act of 1996 for the operation of Casino in the City of Detroit.

In Summary the Casino Development Agreements provides for:

- How and where permanent casinos will be constructed and contains each Casino's Social and Economic Commitments to the City of Detroit and its citizens.***
- Casino employment, construction, and purchasing commitments to Detroit Residents and Businesses for the next thirty years.***
- A description of each casino developers' financial resources to operate and build casino/hotels and other facilities required by the development agreements.***
- Monitoring and reporting requirements to ensure all promised Casino commitments are fulfilled under the development agreements.***

NOTICE TO THE HEARING IMPAIRED: If you would like a sign language interpreter to be present at the public hearings, please call the Council's Research & Analysis Division at (313) 224-4946 at least 48 hours before the scheduled hearing time.
